

## We're so glad you've joined us at a Placeholder Industries company. You're now eligible for benefits enrollment.

Placeholder Industries offers an array of benefits designed to meet the needs of our diverse workforce. Eligibility for group benefits is as follows:

### Don't miss out!

You only have 30 days from the date you become eligible to enroll in benefits, so do not miss this opportunity. If you don't enroll during this 30-day window, your next opportunity will be during the fall open enrollment period (your coverage will become effective in the following calendar year).

To enroll or view your benefits options, log on to [myPIbenefits.com](http://myPIbenefits.com). If you have any questions, call the MyPiBenefits Service Center at 888.123.4567.
